**Report of Principal and School Improvement Council**

At Charleston County School of the Arts we serve approximately 1100 students on a campus that houses a middle school building, a high school building and shared arts studios. The curriculum is designed to foster a diverse, inclusive student culture with the belief that a challenging arts and academic education will prepare our students for a global society. Teachers work to elicit the best performances from our students, not just on the stage but also in the classroom. This philosophy is exemplified through a blend of formal education and the soulful pursuit of an art form; our graduates leave prepared for America's best colleges and universities, with up to seven years of extensive focus in their arts areas.

At School of the Arts we embody a relational approach to education: a three-sided partnership among the teacher, student and parent. This type of teamwork is designed to develop the mind and character of the entire child. Our faculty shares a passion for learning and knowledge and is also dedicated to creativity in the classroom.

Artistically our students regularly receive local, state and national recognition for their work. Wind ensembles consistently receive "Superior" ratings, string orchestras earn first place rankings in music festivals, vocalists perform in Italy and Carnegie Hall, thespians toured all over the state, visual artists maintain a 100% pass rate on the AP Studio Art exam, dancers qualify for significant scholarships, pianists are selected for numerous honor recitals and 390 creative writers brought home Scholastic Awards. Our arts majors come together internally to produce professional quality exhibits, musicals, readings and performances that showcase student work and talent. Twelve students have been selected as the first Fashion and Costume majors and will graduate as Career and Technical Education Completers.

Academically we boast a college credit/AP curriculum where students earn college credit. We were again recognized with a National Gold Medal by US News & World Report as well as placement in the Nation's Top 1000 Schools from Newsweek Magazine. Our achievement contributed to our high school being ranked us as one of the top high schools in the state and a middle school Excellent Rating for Achievement by the State's Department of Education. Through community service initiatives, School of the Arts' students reach out to local schools and provide instruction and performances designed to promote the arts and good will.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>100</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Charleston County School Of The Arts has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
